

## **My Councillors Report.**

Holt by election , Councillor Benjamin was selected as the member for the Holt Ward, this was the only district council election held this year, because of the Local Government Reorganisation.

### **Local Government Reorganisation**

NNDC recommendation for a 3 unitary authority have been submitted to the Government , it is likely to be Sept before a decision is made on the preferred unitary authority structure.

### **NNDC Local Plan. [Housing]**

Consultation hearings were held on three separate days in early April in the presence of an independent inspector, his conclusions following these hearings are expected in mid-May wherein the PPBH team can start to build them into a revised detailed plan.

I have circulated separately , details of the Grants available contained in the Rural Services Network April Digest, and the NNDC Home /Benefits calculator.

Later this year NNDC will be organising a tree planting campaign , so now is the time to start thinking about your ideas for Stibbard.

Regards

**Cllr Mike Hankins**
